

WESTSIDE ART HOP!

Hosting an Artist Oct 1st – 2nd 2022

Sat 10 - 5 Sun 12 - 5

All our artists are vaccinated. The public do not enter your home.

Art Hop depends upon volunteer hosts for our artists. We like to cluster the artists for easy walking. If you live between W Liberty & Pauline, Soule & 1st and have a sheltered porch, garage, driveway, or yard, please get in touch to find out more!

Most of our artists will be on a porch or in a garage for the two days. Those few who have a tent can be in a driveway. If you have a large porch or garage, you may invite two artists, who can help each other. It's appreciated (but not required) if your artist can store their work inside overnight.

Your artist/s will contact you to arrange timing and agree on their setup. The public are not invited into your home, and artists may not smoke or vape on your property. You may offer a chair or table, but it's up to you. We ask only that you provide a space for art to be displayed, and (preferably) use of your bathroom for your artist.

We really are ensconced in the neighborhood, and we depend on the kindness and goodwill of neighbors like you to host our artists.

Thank you!

Sophie

Is it an Art Fair or an Art Walk? It's both! Westside Art Hop is one of the great local events that people love about Ann Arbor, Michigan. *Be part of it!*
